Communities In Schools at Kirkpatrick Elementary Enhanced Option

The Communities in Schools organization at Kirkpatrick Elementary Enhanced Option was a new partner organization that attended this community meeting. This community partner first began being involved with the Primary Care A-Team during their Asthma Education pilot as a hosting organization. They are now interested in becoming more involved with Alignment Nashville in other capacities.

Common Questions:

*What types of workshops are specifically needed?
What has Parent University looked like in the past?
How can I sign up to be a vendor?
Which priority area will my workshop fit into?*

Total ITP Responses (as of 6/8/16):

5 total (2 responses received after the community meeting)

Organizations that have responded:

The Family Center
*Nashville Public Library
Tennessee Scholars
Tennessee Suicide Prevention Network
*YWCA of Nashville and Middle Tennessee (MEND Program)
