

Children's Health
Impact Summit
October 6, 2014

Aggression / Violence

ACTION ITEMS

NEXT STEPS

1. Adverse childhood experience studies in schools
2. Encourage mentoring programs (relationships)
3. Educate adults
4. Engage children and teens in developing solutions
5. Look at context not just individual
6. Implement parent workshops related to bullying and social media
7. Support and promote Social Emotional Learning
8. SAMA training in schools
9. Reassessing the root of violence (not just disruptive behavior disorder issues)
