

## Assessment

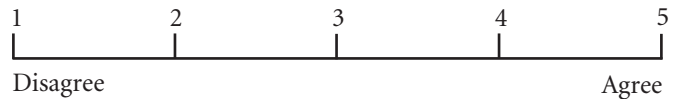

# ANALYSIS OF SCHOOLWIDE COMMUNITY

**Directions:** Observe interactions among students, students and adults, and adults on the playground, in the halls, in the lunchroom, and in other areas of the school. Complete this survey by indicating with an X how much you agree or disagree with each statement below. Be ready to discuss this survey at an upcoming staff meeting.

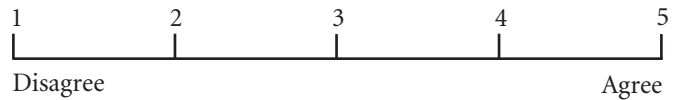

Students treat each other with kindness and respect.

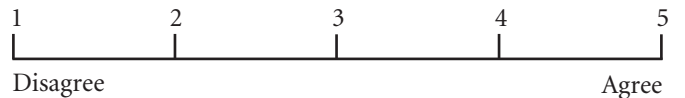

Students treat adults in the school respectfully.

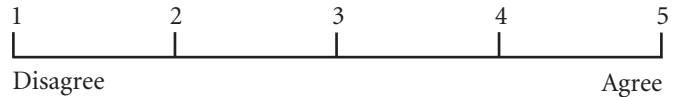

Adults in the school treat and speak to students respectfully.

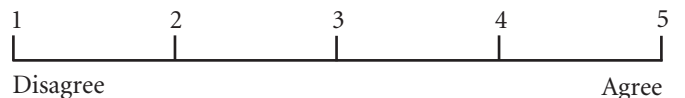

Adults in the school know the students' names, and students know the names of the adults.

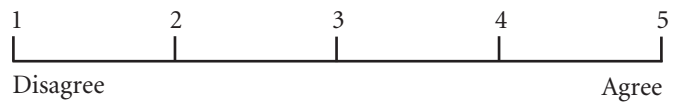

Adults in the school treat one another respectfully, collaboratively, and inclusively.

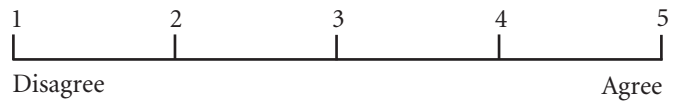

Students have opportunities to learn from their mistakes by discussing them with a supportive adult.

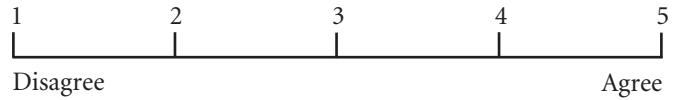

Students play well together on the playground.

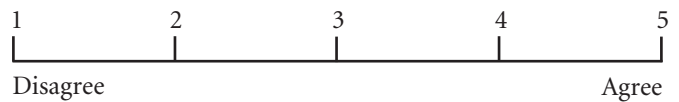

Students are aware of bullying as a serious issue and actively work to avoid it in the school.

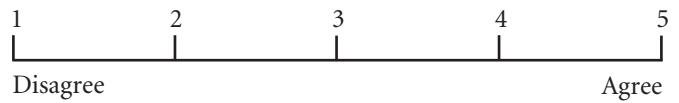

There is a low incidence of bullying on the playground, and, when it happens, it is dealt with quickly by an adult.

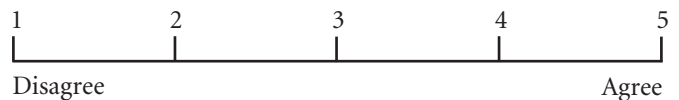

Students in the lunchroom follow the rules and interact well with one another.

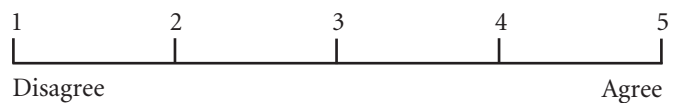

Substitute teachers enjoy working at our school and are treated respectfully by students and adults.

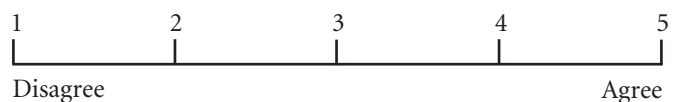

Parents and other visitors feel welcome in our school.

Our school celebrates the diversity of the people in it.

Families actively participate in Homeside Activities.

Families actively participate in schoolwide activities.
